## About Nepal

Nepal is a small beautiful land locked country in south asia. It is bordered to the north by the people's Republic of China and to the East, West and South by the Republic of India, with an area of 1,47,181 Sq. KM. Nepal is full of world's renowned himalayas, land of the Mount Everest highest peak of the world and full of natural beauty. Large number of tourists visit Nepal to climb and see the Himalayan ranges and natural beauty. It is the land where Lord Buddha was born over 2500 years ago.

Nepalese were most pronounced names with Gurkhas all over the world because of their bravery and honesty at the time of 1st and 2nd world war. British and Indian influenced with the Nepalese and started to hire Nepalese to join their Military forces. Today Nepalese are not working for British and Indian Army but also are working in different fields at different capacities internationally. At most 75 percent of them are working in the Middle east and Malaysia. Thousands of youth every year try their future in foreign employment for better living standard.

## Message from **The Managing Partner**

---

This is my pleasure to introduce ourselves as one of the leading & professional recruiting manpower company in Nepal, supply manpower to various countries, especially the gulf. A peep into the past 11 years encourages me to further enhance the industry. The difference we have made in quality service along with the contribution to minimize country's unemployment is what gives us a high courage. The past experience with which my organization grew up will be a guiding lesson for our future.

The Naurki Nepal Recruitment Services was established with the dream of exploring employment opportunities abroad for a huge number of unemployed youth in Nepal. The dream has connection with realization that the unemployment was posing a serious threat for the contry's future. Today, my dream has come true with a successful manpower company supported by a dedicated team, competent management, reputed and success story.

Finally, flexibility and cordiality are among the company's remarkable traits. In dealing with prospective principals and employers, Naukri Nepal maintains an open mind and takes intoserious consideration counter offers or alternative proposals depending upon the company policies. With its applicants, the company accords them warm professionalism without regard to non-essential considerations other than getting the right people for the job.

I want to assure you that quality service and better co-operation in future.

Thanking you,  
Shankar Shrestha
